I see your pain. He will help You stand
I see your tears. You are in His hands
We all struggle. You can make it known
Together we are gathered and none of us alone

INTRO

VERSE 2

I know you're weary from this journey you're on
But don't lose heart, when you're weak He is strong
God is moving. See His love surrounding you
All of us are gathered to remember and renew

Even though the road is long

CHORUS 1

Keep on walking keep believing
Keep on reaching, reaching out for more of Him

We set your hearts on the glory of the Son
We set your minds on things that are above
He sees our burdens and He cares for each one
Everyone has gathered and everyone is loved
